

United Regional Health Care System
School of Medical Technology
Annual Report 2013-2014

Four students graduated on July 19, 2013 from the MT program at United Regional.

All four students passed the certification exam.

The mean scaled score for the program was 508. The national and hospital based program mean scaled scores were 502 and 538, respectively.

All four students are gainfully employed in the laboratory at United Regional.
