

SPECIAL DONOR RECOGNITION ISSUE

SPRING 2019

*a publication of united regional foundation*

# Cornerstone

*Thank You*  
**to Our Wonderful**

**COMMUNITY**

**of Generous Donors**

## Our Cover

The 2019 Spring issue pays special attention to individuals, foundations, and corporations that made an impact on the overall wellness of our community by making a financial donation to United Regional Foundation. We can never say “Thank You” enough for supporting excellence in health care for the communities we serve.

# A Community of Generous Donors

**W**hen my now 33-year-old son, Tyler, was in middle school, I had to have one of those talks about caring for more than just himself, respect for others, and awareness of people around him.

I told him no matter our age, color, social status, or where we live, we all breathe the same air, travel the same roads, drink the same water, and enjoy the same parks. I told him that every minute of the day somebody was doing something for him to live a better life. I said we all live in the same community and each of us have responsibilities to uphold. Middle school is a tough period for a 13-14 year old, and over time, he grew to understand that people within a community learn to look-out for others, making their life more fruitful while impacting the lives of others around them.

Our community in the Wichita Falls area is a wonderful collection of moms, dads, ranchers, bankers, healthcare workers, manufacturers, restaurant employees, and so much more. As a community, we come together by supporting a variety of causes and doing our part to help improve the quality of life in others.

In 2018, there were 2,390 individuals, foundations and corporations who made a financial donation to their community hospital through the United Regional

Foundation. Donations ranged from \$1 to \$150,000. The Foundation’s history of receiving gifts shows that donors give what they can, not out of obligation, but out of love and appreciation—cheerfully and willfully. These are significant traits of selfless giving.

In this issue of *Cornerstone*, we want to say **THANK YOU** for supporting United Regional. We recognize that giving is voluntary and we deeply appreciate your generosity.

Beginning on page 5, we pay tribute to the Lifetime Circle of Friends. These individuals and organizations have reached a total giving of \$50,000 or more and are acknowledged in perpetuity. On page 6, you will find the 2018 donors.

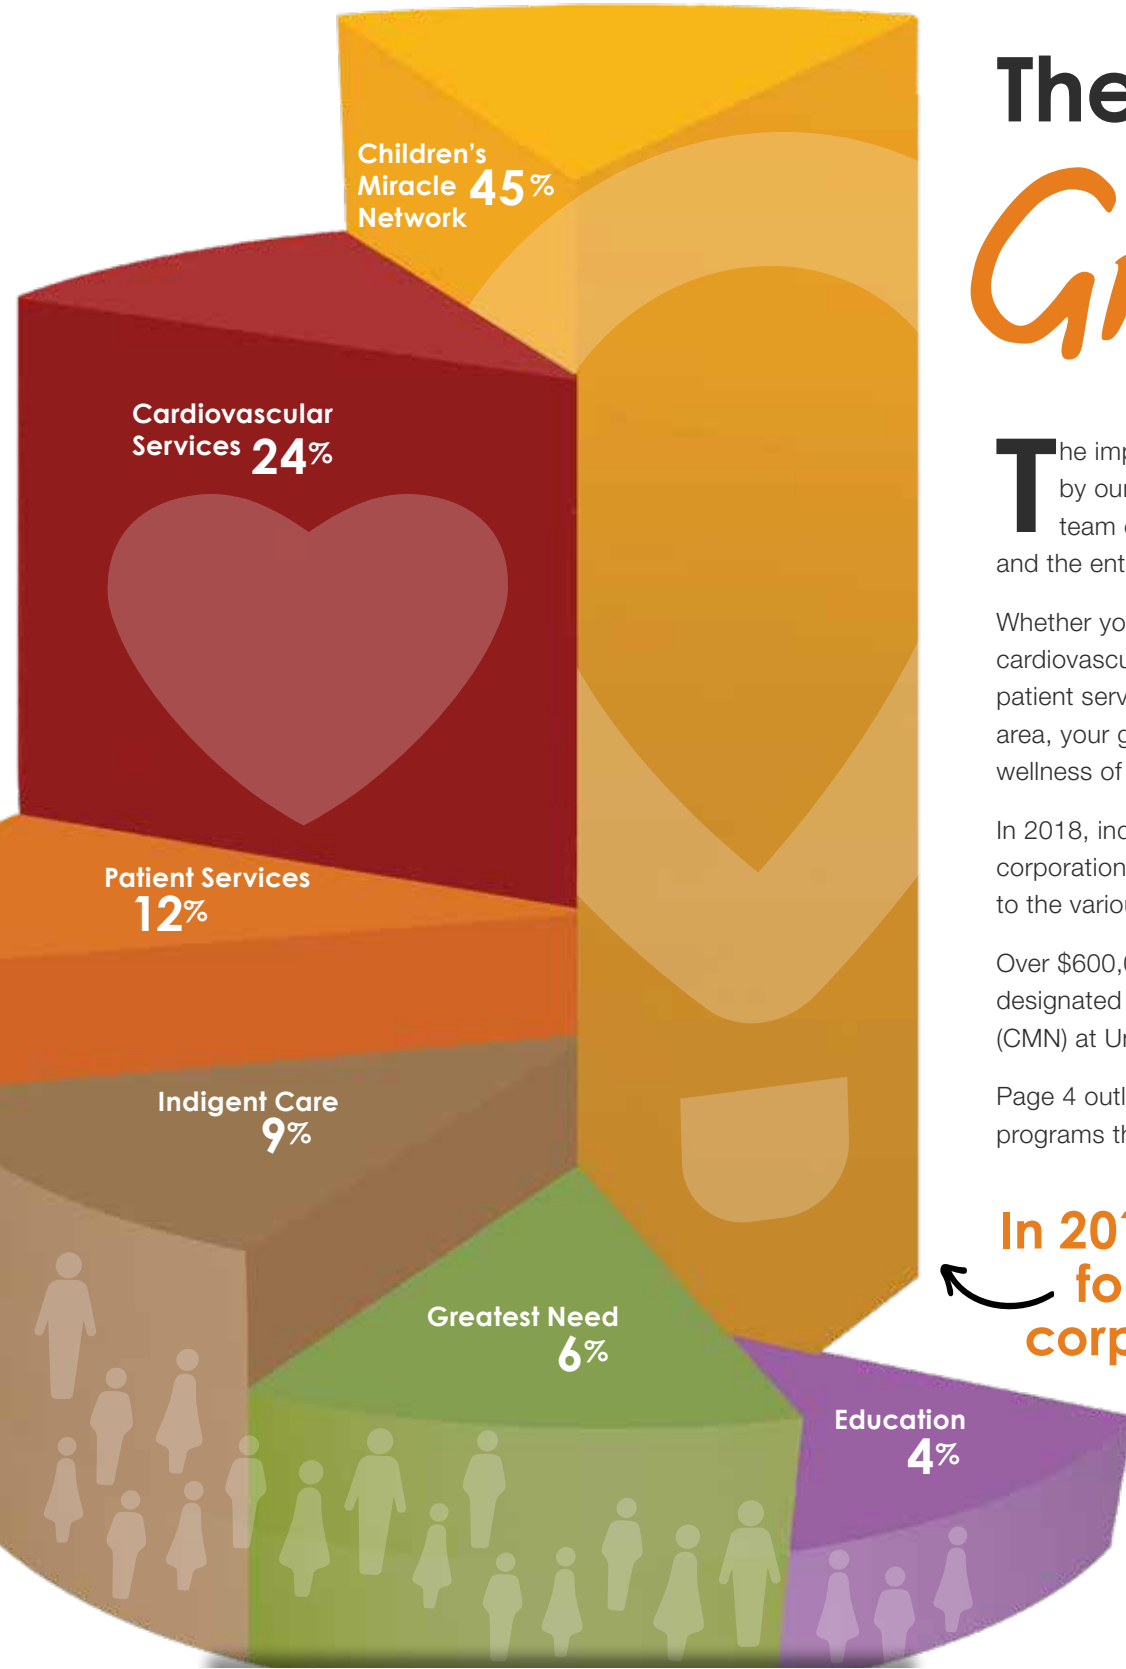

Mother Teresa said, “If you can’t feed a hundred people, then feed just one.” You matter, your generosity matters, and your role in our community matters, whether it assists a hundred patients, or one. Our community is a better place because we are a community of generous donors.

Gratefully yours,

Executive Director,  
United Regional Foundation

*P.S. If you are close to the corner of Grace and 13th, please drop in and visit. We would love to say hello, serve a cup of coffee and get to know you better!*

# The Impact of Your Giving

The impact of your gift is felt each day by our patients, their families, our team of health care professionals, and the entire staff at United Regional.

Whether your support was for cardiovascular services, indigent care, patient services, pediatrics, or another area, your generosity helps with the overall wellness of our community.

In 2018, individuals, foundations and corporations gave more than \$1.8 million to the various areas named in this chart.

Over \$600,000 of those funds were designated to Children's Miracle Network (CMN) at United Regional.

Page 4 outlines specific needs and programs that CMN funded.

THANK YOU for stepping up to support the healing care and innovative programs that benefit lives.

*You make a real difference in the lives of real people.*

# The Impact of Your Giving to CMN

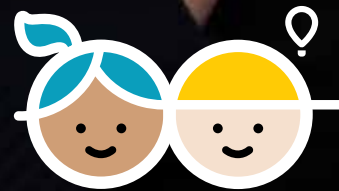

**P**remature birth. Diabetes. Appendicitis. When your child is diagnosed with a serious condition or injury, it's a crushing blow that changes everything for a family. For families with children who are diagnosed with critical illnesses or injuries, the team of pediatric doctors and healthcare specialists work tirelessly to provide exceptional care for their patients. Our pediatric team works together to provide advanced care for children with all types of conditions. From the smallest of babies to preschoolers and teens, we provide specialized treatment that saves children's lives. What's more, our team provides care for the patient and the whole family. **Through YOUR donations made to Children's Miracle Network at United Regional we are able to provide specialized equipment and treatment programs to help local kids become healthy and stay healthy.**

## PUT YOUR MONEY WHERE THE MIRACLES ARE
