Your Giving Goes Beyond the Walls

Thank you to our donors to the Community Care Fund. Your donations have made an impact on many in our community, and we wanted to show you what services you helped to provide.

You helped to provide:
- Food and Medications
- Transportation to medical appointments
- A birth certificate for a veteran so he could sign up for his VA benefits
- Medical equipment needed at home
- Diabetic supplies

You made it possible for someone to:
- Not be homeless any longer
- Not have to choose between food and medication
- Not have to go another day without the surgery they desperately needed
- Not go another day in pain from a tooth that needed to be pulled
- Not have to worry about losing their leg if they didn’t have wound care

You Gave the Community Care Fund

United Regional’s Community Care Fund initiative creates an environment that reaches beyond the walls of the hospital and clinics, and into the community, providing innovative care and services to some of the most vulnerable populations.

Food security, medication assistance, transportation services, and alignment with appropriate community services have been identified as a starting place to begin addressing the social determinants of health.

The Community Care Fund provides certain, specific supplies and services for patients once they leave the hospital, in order for them to improve their health and perhaps avoid returning to the hospital. The donations received through the Community Care Fund help ensure all patients get these post-hospital supplies and services.

The Community Care Fund allows donations to assist the needs for patients of the Transition Clinic.

Federal regulations prohibit use of hospital funds for the provision of these supplies and services to Medicare, Medicaid, and Tricare patients. Therefore, donations made to the Community Care Fund help ensure these supplies and services to ALL patients in need.
Happy New Year, everyone! All of us here at United Regional want to thank you for a fantastic 2019.

Last year was filled with incredible campaigns from Children’s Hospitals Week to the ACE Hardware, Dairy Queen, and many other campaigns and events like our annual softball game. It was a successful year full of fundraising and support! Thank you for participating and helping us reach our goals. Every dollar makes a positive difference!

We are so grateful for our top fundraising partners:

- Dairy Queen - Richeson Restaurants
- Jim and Ann Ginnings

Here are some remarkable ways the generous donations in 2019 are being used at United Regional.

45¢ of every dollar raised went to equipment – fetal monitors, vein viewers, photo light therapy and a security system to swaddle our youngest patients in protection and peace of mind.

2¢ of every dollar raised went to education – motherhood and breastfeeding books, as well as materials for infant CPR classes.

38¢ of every dollar raised went to charitable care – meals provided to the families of patients and, for the first time, supporting the cost of patient care including medical bills.

15¢ of every dollar raised went to patient services – activity packs, sippy cups, juvenile diabetes summer camp, and SIDS prevention sleep sacks.
Thank you for your thoughtful donations and for helping make last year unforgettable.

Let’s take this great success into 2020 and continue to make miracles happen!

Get to Know Us!

Here’s just a little information to help you get to know us and what we do!

**Gaye Overstreet**

I’m Gaye Overstreet, and I have been employed at United Regional for a year as the Administrative Assistant for the Foundation and Children’s Miracle Network. In my personal life, I have been blessed with an amazing husband, two beautiful daughters and a granddaughter who is truly the apple of my eye. I recently joined the staff, and my responsibilities include data entry, letters and handling tasks to make the Foundation and CMN a success. Being able to reach out to others and engage in the community makes my work seem like more than just a job. I enjoy working with my colleagues very much, and knowing that my efforts truly make a difference in the lives of others.

**Shelby Reese**

I am a 25-year-old from Holliday, TX, and I have planted my roots in Wichita Falls with my husband, Tyler; our son, Oaklee; and daughter, AJ. I have had the honor to serve as the Children’s Miracle Network Specialist at the Foundation since August of 2018. My cup is overflowing with opportunity and love for the pediatric patients helped at United Regional.

In 2019, I set goals to steward corporate partners in a way that when I walk into a Walmart or Sam’s Club in my area, most staff would know me by name, and I know their names. Last year, I had over 300 interactions with corporate partners and drove more than 3,000 miles!

This year, I am excited to expand even more relationships with CMN donors.

**Tina Roe**

I am a wife, mother and Mimi who enjoys gardening, scuba diving and hiking. I have had the privilege to work as the Donor Services and Annual Fund Specialist at United Regional Foundation for 17 years. My primary job duties consist of coordinating the Foundation direct mail program, the Spirit of Giving campaign, and Heart of a Woman. I also work with Accounting on revenue and expenses for the Foundation and Children’s Miracle Network.

In the 2019-2020 Spirit of Giving campaign, we reached an all-time high of over $301,800 pledged. This is exciting because it also means the 2020-2021 campaign will put us over $4 million for a 17-year running total. Our employees care about each other, and we also care about our community!

Every day holds a new challenge or surprise, which keeps it interesting. United Regional is a family, and I am delighted to be a part of such a wonderful group of people.
A Community of Generosity

The Lifetime Circle of Friends honors those with contributions totaling $50,000 or more. It is our pleasure to acknowledge their generosity in perpetuity.

Thank you for improving the overall wellness of our community!
